KEVADEL IS BACK...

Back by popular demand! Kevadel for the non-sweating horse.

Horses in hot, humid and stressful conditions may benefit from Kevadel by managing overall discomfort during stressful, excessive work. By supporting normal sweating, maintaining respiratory function and normal body temperature, Kevadel will help keep your equine athlete competitively healthy.

Kevadel supports normal endocrine, thyroid and immune function. Recommended for use during times of stress and challenge, and promote normal sweating.

The active ingredients include:

- Sea Kelp (*Fucus vesiculosus*) 15 mg
- Echinacea Root (*Echinacea angustifolia*) 15 mg
- Dandelion Root (*Taraxacum officinale*) 15 mg
- Licorice Root (*Glycyrrhiza glabra*) 15 mg.

Kelp is the number one herb for supplementing iodine. And being that it is a natural source of iodine it is considered to be safer and better for the horse than chemical synthetics. Superstars like vitamin C, iron and calcium are always in the news and well-known for their health benefits, while iodine has been essentially ignored. But horses need iodine for efficient thyroid and pituitary function. The thyroid, located in the area of the throat, is responsible for regulating metabolism and body temperature.

new dealers

Check out our newest dealers for our feeds and treats:

NEW! ORANGE OIL SHAMPOO

Your horse will feel refreshed! Orange essential oil has a fresh and sweet, citrus smell and is a valuable aid for many skin and haircoat issues. Orange Oil is helpful for soothing dry, irritated skin. Oranges also contain ingredients that deter insects, ticks, flies and mosquitoes. Your horse will look and feel refreshed and invigorated. Great for frequent bathing!

Lavender oil is believed to have antiseptic and anti-inflammatory properties which can be used to help heal minor burns and bug bites. You will find essential lavender oil in our Ease It lotion. Just go to www.emeraldvalleyequine.com for more information.

EQUINE AFFAIRE NOVEMBER 13-16, 2014

Join us at Equine Affaire 2014 in W. Springfield, MA at the Eastern States Exposition. Stop by our booth for free samples and information. We will have new products for you to discover and savings coupons for you to use in person or on the web. Along with 475 vendors, there are over 200 clinics, seminars, and demonstrations on a wide variety of equestrian sports and horse training, management, health and business topics. Equine Affaire's roster of presenters will include Olympians, World and National Champion riders, Pan Am Games, WEG, and NFR competitors, popular equestrian TV personalities, authors, course designers, judges, veterinarians, and other top industry professionals from throughout the United States and beyond.

NASC 2014 ANNUAL CONFERENCE

Emerald Valley has just returned from the annual National Animal Supplement Council conference on May 7-9 at the Trade Winds Island Grand Resort in St. Pete Beach, Florida. Emerald Valley has been a member of the NASC for 5 years and has successfully completed a facility audit.

The National Animal Supplement Council is a non-profit industry group dedicated to protecting and enhancing the health of companion animals and horses throughout the United States. As part of its ongoing effort to improve and standardize the animal health supplement industry, NASC initiated its Quality Seal Program. The Seal is a way for consumers to know that when they buy a product, they buy from a reputable company that has successfully completed a facility audit.

EMERALD VALLEY RIDERS AT THE TOP

From Jonathan McCrea, USEF Grand Prix, Windsor Show Stables and Formula⁴ Feet user:

"I made the US team for the upcoming Nations Cup in Mexico, May 7 to 11. It's one of the three qualifiers for Barcelona in September, I will be riding Special Lux."

Update: Jonathan McCrea has qualified to move on to compete at Spruce Meadows in Calgary for the final qualifier. The 2014 season reaches a climax with The Furusiyya FEI Nations Cup Jumping final from October 9 to 12, which will once again be held at the Real Club de Polo of Barcelona in Spain, the venue used for equestrian events at the 1992 Barcelona Olympic Games.

From Catherine Haddad, USDF Gold Medalist and Fibre-Beet user:

"Hotmail and I have been given a grant from the USEF to travel to Europe and compete this spring in preparation for the WEG in Normandy. We are going for it and will try to make the Team this summer!"

We wish Jonathan and Catherine the best of luck and a summer to remember. Thanks to you all for riding along with us. ~ Cheryl Price
