MANUKA PLUS PRODUCT FACTS

ACTIVE INGREDIENTS per 1 mL:

Manuka Honey	10 mg
Licorice Root	5 mg
providing .01 mg Glycyrrhiza Glabra	
Papaya	5 mg

INACTIVE INGREDIENTS:

Acetic acid, Propionic acid, Sodium Benzoate, Water

CAUTIONS:

If an animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product. Herbal should be used with caution with cardiac and kidney problems. Use with caution in animals on steroids. Excessive or long term use may cause or contribute to water retention, hypertension or other cortisone-like side effects. Caution should be used with hemolytic anemia and clotting disorders.

FOR USE IN HORSES AND DOGS ONLY.

Manuka Plus helps support healthy gastric function and maintains the intestinal tract. This formula may be useful during stressful training and competition by promoting a healthy stomach lining and supporting production of digestive enzymes.
