**CAUTIONS:**  
If an animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. An examination from a veterinarian is recommended prior to using this product. Use with caution in animals at risk for GI ulcerations and animals on steroids. Use this product with caution in animals with known allergy to sulphur. If lameness worsens, discontinue use and contact your veterinarian.

**FOR USE IN HORSES AND DOGS ONLY.**  
Ultimate Joint is highly recommended for the senior horse (or dog!) to help ease discomfort due to everyday activities. Ultimate Joint helps support normal inflammatory response and maintain normal healthy cartilage and joint function. Ultimate Joint helps support mobility and flexibility.
